SPRING SALE

FEATURING

S & S MR WONDER x

LOT 1

THURSDAY, MARCH 26

**CONGERVILLE,
ILLINOIS**

Jim Shea with his first Shorthorn female which was purchased in 1950 from Ray Guth, Washington, Ill. The fantastic luck of the Irish which has propelled the Shorthorn herd to national prominence is evident in the first female having twin heifer calves.

FROM THIS TO THIS IN 20 YEARS

The Shea Shorthorn herd has grown from one 4-H heifer in 1950 to more than 200 registered mother cows in 20 years. The Shea's have always kept in mind that their cattle must be profitable and of the type that is accepted by the buying public. Today the herd is in its strongest position ever.

Twenty years later Jim Shea showed the grand champion female at the International Livestock Show in Chicago with S & S Bessie 5th by Aberfeldy Habitant.

General Information

LOCATION — This sale will be held at the Central Illinois Sale Barn, Congerville, Ill. This barn is located one mile East of Goodfield, Ill. on Route 150. Persons traveling on Interstate 74 should take the Goodfield exit. Goodfield is located midway between Peoria and Bloomington. Phone (309) 965-2488.

TIME — The Shea Shorthorn farm spring sale will start promptly at 12:30 p.m. CST, Thursday, March 26, 1970.

LUNCH — Will be available on the grounds.

TRANSPORTATION — Peoria, Ill. is served by the Ozark Airlines. For persons coming a distance, trains and planes will be met at Peoria if advance notice is given to either Jim Shea or Gene McDonald.

SALE HEADQUARTERS — The Ramada Inn at Bloomington has been designated as sale headquarters. This motel is located at the Jct. of Int. 74 and Int. 55. Reservations may be made direct to them or the sale manager will be happy to make them for you upon request.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with Shea Shorthorn Farm. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will assist in loading in compliance with instructions from purchasers.

GUARANTEE — All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association.

HEALTH — All cattle are sold subject to a 60 day retest for Tuberculosis. Health certificates will be furnished. All cattle have been blood tested for Bang's disease within 30 days of the date of this sale with the exception of females in this sale officially calfhooed vaccinated and under-age. In these cases, vaccination certificates will be delivered to the buyer at the time of the sale.

A certificate of registry and a signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by Shea Shorthorn Farms or written from information supplied by them. We will not be responsible for any accident that may occur but will make every effort to provide for the safety and comfort of our guests.

The above guarantee and terms shall constitute a contract between Shea Shorthorn Farms and buyer of each lot. The sale manager was retained by Shea Shorthorn farms, Metamora, Illinois, for the specific tasks of handling the publicity, preparing the catalog and dispersing the receipts. Neither the sale manager, auctioneer, nor the clerk assumes any liability for fulfillment of guarantees, errors in health charts, handling of the cattle or condition of the premises.

BREEDING DATES — Breeding dates will be announced from the block sale day. The females will be pregnancy examined. Some of the cows will have calves at side. Most of the females selling will calve this spring.

W E L C O M E

In March of 1950 the first registered Shorthorn female came to Shea Shorthorn farm a white heifer calf that was my first 4-H project. Since then the challenge and excitement of breeding better Shorthorn

cattle has been the reason for the growth of our herd, which now numbers over 200 registered cows.

Our cattle have been widely accepted throughout the United States. This year we competed with many of the top herds in the nation at nine major shows. At these shows under 11 different judges our cattle won a total of 23 championships.

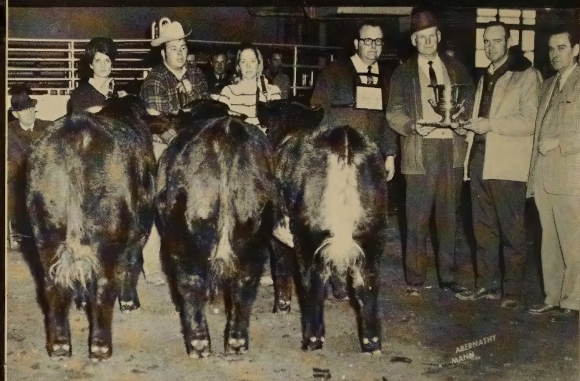

We have held six successful club calf sales and now feel we have something to offer the breed with an annual production sale. We have gone deep into the quality of this large herd to have an offering that even the most discriminating breeders will be pleased with.

We hope to see you on sale day.

Walter and Jim Shea

A pen of five bulls from Shea Shorthorn Farms are topping the National Shorthorn research bull testing station at Leon, Kansas. They will sell March 23 in that sale. The bulls selling in this sale are half brothers to these top gainers.

THE SHEA

The first-place Shorthorn Junior get-of-sire of the 1969 International was by Aberfeldy Habitant. Included in this group is the grand champion female and S & S Prince Reford, Lot 2 in this sale.

The First

S & S Snow Belle 12th x, the Polled summer yearling female from our show string. She was the reserve grand champion female at the Indiana State Fair and stood second at the National Show to her stall-mate S & S Bessie 5th. Her dam sells as Lot 17 in this sale.

S S Prince Reford, first spring yearling bull and reserve junior champion at the 1969 Illinois State Fair. He sells as Lot 2.

S & S Debbie x, the reserve junior champion female at the 1969 Illinois State Fair. Her dam sells as Lot 32 in this sale.

The first-place senior get-of-sire at the 1969 Kentucky State Fair by Aberfeldy Habitant. Included in this group is S & S Mr. Wonder x, Lot 1, and S & S Prince Reford, Lot 2, in this sale.

SHOW WINNERS

The first-place Polled Shorthorn junior get-of-sire at the 1969 International . . . the first time in history that one bull had sired both junior gets at Chicago. S & S Mr. Wonder x, Lot 1, was a member of this group.

Time in History

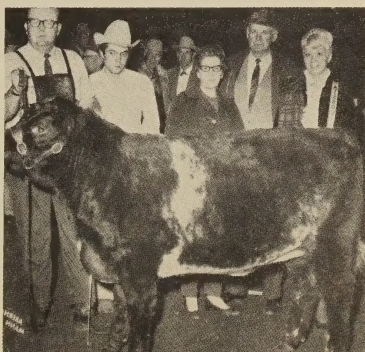

The Leveldale trophy for the best Shorthorn bull and female at the 1969 International was won by Shea Shorthorn farms. Les Mathers is shown presenting the trophy to Walter and Jim Shea.

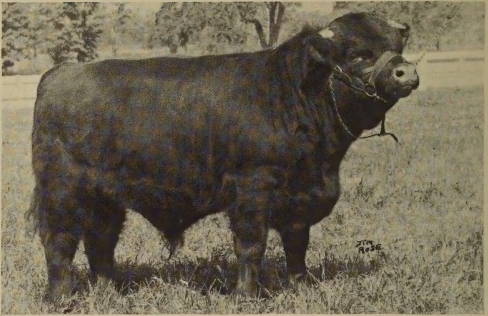

The first-place junior get-of-sire at the 1969 American Royal in Kansas City. Included in this group is S & S Mr. Wonder x, Lot 1, in this sale. Shea Shorthorn farm won the junior get-of-sire award at nine major shows this past summer.

S & S Bessie 5th, the 1969 International grand champion female shown by Shea Shorthorn farm. The females selling in this sale are the foundation from which great heifers like her are produced.

THE SHEA

ABERFELDY HABITANT

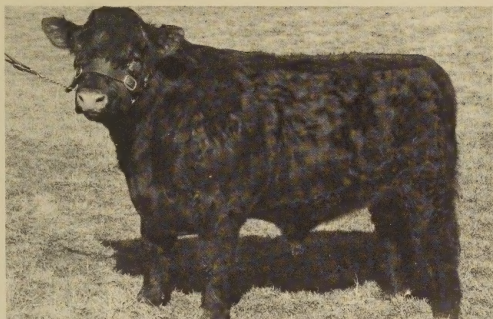

Aberfeldy Habitant was selected after a long and very careful search for a bull that would combine doing-ability, growth and muscle, three things which we believe are very, very important in the production of superior beef cattle. He was grand champion bull at the Canadian National Exhibition in Toronto and was purchased at the top figure of an Aberfeldy-Scotsdale-Ettrick sale. His first crop of calves to show were used in 1969 and they swept all competition before them. His junior get-of-sire was undefeated in nine major shows including first in both the Shorthorn and Polled Shorthorn shows at Chicago . . . the first time in history that this has ever been done. In that show he also sired the grand champion female of the Shorthorn show. We are selling two of his most popular sons as Lots 1 and 2 in this sale. In addition, several females carry his very valuable service.

ACADIA NAPOLEON 20S

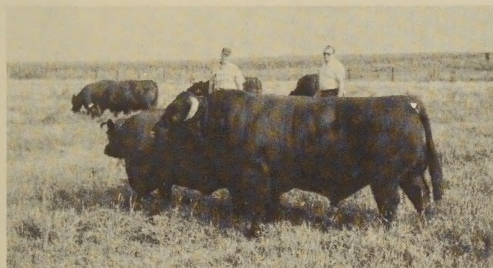

Acadia Napoleon 205th, purchased privately from Acadia farms. We particularly liked his extra frame, length, particularly through the rump, and the cow that produced him. Today he is a big bull, after seeing heavy service this past summer. His first calves are now arriving. The very first one is a January heifer calf selling with Lot 44. During his show career he was several times a champion for Acadia. Several cows sell carrying his service.

HERD SIREs

SUTHERLAND WELCOME x

Sutherland Welcome x. We bought this bull at the 1968 Sutherland spring sale where his frame, length and big, sound feet impressed us very much. He is a big, modern bull. A half-brother to the very popular Sutherland Prospector x, grand champion at the International and National shows, and to Sutherland Citation x, grand champion bull at the 1970 National Western. The first calves by Welcome please us very much. They have the extra length, size and trimness which we are looking for. His service sells in this sale.

WERNACRES CAMEO 46th

Wernacres Cameo 46th, a big, strong, heavy-quartered bull, whose calves combine the things we are looking for in the beef cattle business. His first son was grand champion bull at the Ohio State Show in Berea, Ohio, and is now heading the herd at Acadia Farms unit in Nova Scotia. He is pictured on page 30 of this catalog. Our first calves by Cameo will be arriving this spring. You have an opportunity to own some of the first as many of the cows selling will be carrying his service.

DPS SUPREME 23rd x

DPS SUPREME 23rd x, a young Polled bull which we own in partnership with Melbourne Farms, Big Rock, Ill. He has continued to grow and develop after heavy service this past summer. You have the opportunity to share his first calves with us since several females in this sale will be among the first to calve by him. His first calves at Melbourne are very impressive and are all polled.

S & S MR WONDER X

Junior and reserve grand champion bull, 1970 Dixie National, Jackson, Miss.

Junior and reserve grand champion bull, 1969 Kentucky State Fair, Louisville, Ky.

Reserve junior champion bull, 1969 National Show, Lincoln, Neb.

Reserve junior champion, American Royal, Kansas City, Missouri.

First-place summer yearling, 1970 Southwestern Live-stock Exposition, Fort Worth, Texas.

Sells as Lot 1

One of the most valuable Polled bulls to ever sell at auction. Judges throughout the nation acclaim him the modern type. Certainly his extra frame and trimness indicate that he is the kind of bull that the cattle business is seeking today. We recommend him highly to anyone seeking improvement. With the buyer's permission we would like to show him next year in the senior yearling class at major shows throughout the country. However, if the buyer wishes to take him home sale day, it will be all right with us. He is a producer of excellent semen and we have a large bank frozen from him now. We would furnish semen to the buyer if he desires to let us keep him and show him. Two-thirds interest, possession and full salvage go to the buyer. We retain one-third semen interest with the option to collect more semen at our own expense. Our faith in this great young bull is indicated by the fact that 100 females at Shea Shorthorn farm will be put in calf to him this year.

BRITOMAC GOLDEN GLOW 17th — Just a young cow coming with her second calf. Sells bred to Sutherland Welcome x.

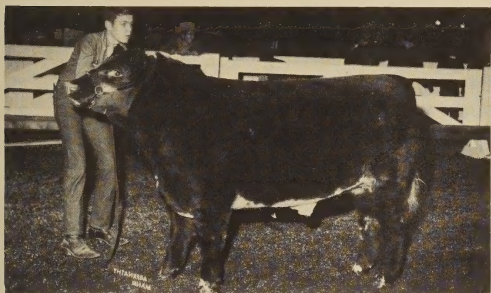

Acadia Cadet, junior and grand champion bull of the 1969 Interstate Classic, Berea, Ohio, now heading the Acadia Farms unit in Nova Scotia. He is the first son of Wernacres Cameo 46th, one of the Shea's herd sires, whose service sells with many of the females in this sale.

In their six calf sales held each fall in November, the Shea's have distributed to boys and girls throughout the country quality steers and females. Pictured on this page are three of the most recent winners in strong competition.

Maureen Kennedy, Lockport, Ill., with her Land of Lincoln reserve champion Shorthorn steer at the 1969 Illinois State Fair. This steer was purchased in the Shea Calf Sale and is sired by Leveldale Prodigy.

Lee Hendricks, Benson, Ill., and his second-place senior steer calf of the 1968 International. This calf was purchased in the Shea Calf Sale and is sired by Leveldale Prodigy.

Jill Swanson, Lockport, Ill., with her reserve champion Polled Shorthorn female of the junior show, 1969 Illinois State Fair. This heifer was purchased at the Shea Calf Sale and is sired by Leveldale Prodigy.
